

Goal #2

Goal: The students and families of SMLS use their gifts to serve and to share Christ.

Objective 1: Provide increased opportunities for students to share the gospel message

- Strategy A: Compose a master plan of opportunities for student participation in worship during school hours (2/10)
- Strategy B: Schedule all classes to take a leadership role throughout the school year (8/09)
- Strategy C: Compose a master plan of opportunities for student participation in SMLC worship services (2/10)
- Strategy D: Schedule all classes to take a leadership role in SMLC worship services throughout the school year (8/09)
- Strategy E: Develop a plan to involve all students in sharing the gospel outside of the SM community (2/10)
- Strategy F: Schedule specific activities to engage students in outreach (8/10)

Objective 2: Provide opportunities for students to serve others

- Strategy A: Compose a master plan of opportunities for student participation in service during school hours (8/10)
- Strategy B: Schedule in-school servant activities for each class throughout the school year (2/11)
- Strategy C: Compose a master plan of opportunities for student participation in service outside of school (8/10)
- Strategy D: Schedule outside servant activities for each class during the school year (2/11)

Objective 3: Provide opportunities for families to join in serving others

- Strategy A: Compose a master plan of opportunities for family participation in service (6/11)
- Strategy B: Encourage parents to take a spiritual gifts inventory (10/11)
- Strategy C: Enter the gifts information into a master data base (2/12)
- Strategy D: Schedule a variety of service opportunities (6/12)
- Strategy E: Invite all families to participate in one or more service opportunities (8/12)
- Strategy F: Match gifts to specific service opportunities (8/12)
