

Parent Communication #2

7th Annual Relay for Life FunRun on Thursday the 22nd

Thank you for your continuing commitment to our school and the constant investment you make in the lives of our students. We are grateful to have such a supportive parent base that is willing to help in so many ways. We have a great opportunity once again to make a difference in the lives of our children with this 7th Annual Relay for Life FunRun!

SMLS staff members have supported the American Cancer Society's Relay for Life over the past few years as part of a SMLS community service project. Note: Saint Michael will donate 1/3 of all the proceeds from the 7th Annual Relay for Life Fun Run to the American Cancer Society Relay-for-Life. (We participate in the Lee County Sports Complex event on Fri. the 23rd.) We are also raising funds to install a wireless networking system and technology upgrades.

Here's how you can make a difference. Please make a list of relatives, friends and business colleagues or acquaintances that could be contacted to make a pledge. We are trying to have pledges from all 50 states!

Students are challenged to get at least 10 pledges. Sponsors will each pledge a dollar amount per lap that students will run. Or you can ask for a flat amount donation. They will run for 30 minutes and average 25-35 laps with a "lap cap" of 35.

Event Time Slots: [We will be doing the event on the soccer field.] Plan to attend to cheer the children on as they complete the laps!

In Christ,
