Red Ribbon Week! Drug Free!

OCTOBER 23-31
RED RIBBON WEEK 2006
National Red Ribbon Celebration

Red Ribbon Week began in 1988 in honor of DEA (Drug Enforcement Agency) Agent Enrique "Kiki" Camarena, who was kidnapped and killed in Mexico in February of 1988. The first Red Ribbon Week was proclaimed in 1988 by the U.S. Congress in support of what Agent Camarena stood for. The purpose of the Red Ribbon Campaign is to present a visible commitment to a safe, healthy and drug-free lifestyle. The campaign is designed to: create awareness concerning the problems related to the use of tobacco, alcohol and other drugs; and to support the decision to live a healthy, drug-free lifestyle. If you would like additional information about Red Ribbon Week, please contact Mrs. Melissa Owen.

BLOOD DRIVE - Sunday, October 29, from 8:30 a.m. to 12:00 p.m. Just a single pint of blood can help save the lives of several people. Your donation can be separated into its different components: the platelets may go to a child with leukemia, the plasma to a patient with a clotting problem, and the red blood cells to an accident victim. Lee Memorial Hospital is very appreciative of all donations and at our last blood drive 23 units were collected. Let's try and break that record. Tips for blood donation preparation include hydrating the day prior, feeling well that day, eat a healthy breakfast, more fluids, bring a list of any medications, and driver's license for I.D.
