Reading for Growth!

David Walsh's book, *No: Why kids of all ages need to hear it and ways parents can say it* is available at major retailers. See www.mediafamily.org for more information about the program.

Researchers at Mid-continent Research for Education and Learning (McREL) have identified nine instructional strategies that are most likely to improve student achievement across all content areas and across all grade levels. These strategies are explained in the book [*Classroom Instruction That Works*](#) by

Robert Marzano, et al.
