Special
Food Service
2009 Edition!

Account Balances

The system will continue with a credit balance for re-enrolled students, and for new students it is set at a default value of \$0 until the first payment is made. The first payment will create a credit balance and all food items that are purchased will be debited from the balance.

Grades K-8 please use a payment envelope to credit your account with at least \$50.00 to start the school term.

PK-8 Families must have a valid credit card form on file in the school office to use the cafeteria service.

Students who have a balance due will have their accounts brought back to a credit balance with the use of a credit card that will be on file. Once that card is run the student will be allowed to use the food service program again.

Please make an appointment with Sue by calling 239-939-1218 x 298 to discuss any balance amounts.

FOOD SERVICE OPEN HOUSE

August 17th from 5:30 PM—8:00 PM

Stop by the Cafeteria
and enjoy some refreshments!

While you are there you can talk to Sue Briggs, our Food Service Manager, drop off payments and credit card forms, view your student's account and ask questions.

PK families please remember you must pre-order your child's lunch each month. The menu will be published in the Saints Alive every month along with an order form you can fill in, cut out, and return with your payment. You can also access the menu online at www.smlcs.org.

Lunches are \$3.00 (including drink); if you want to order only a drink, it is \$.75. The children do not eat lunch in the cafeteria - their lunches are made up in the kitchen and taken to their classroom.

If you need a lunch and have not ordered one or you need to cancel a lunch you can call the kitchen and order one. PLEASE do so before 10 a.m. Please call 939-1218, ext. 271 when making Pre-K changes.

You have a choice of four entrees and four drinks. Each meal comes with one entrée, one drink and three sides (usually a fruit, vegetable and desert). Mark your entrée choice (A, B, C or D) in the box marked "Entrée Letter". Mark your drink choice by putting in "M" for milk, "CM" for chocolate milk, "J" for juice and "W" for water, in the "Drink Letter" box.

We are looking forward to serving you. *If your child has a special need, please let us know so we can see that that need is met.* If you have any questions please feel free to call Sue at 939-1218, ext. 298.

**Food Service
INTRODUCTION!**

Dear Parents and Students in Kindergarten – 8th Grade:

Our lunch program operates on a debit system – you prepay and deductions will be made each time your child goes through the lunch line. This computerized system uses fingerprint imagery to eliminate identification errors and can provide detailed printouts of student purchases.

A price list is attached. Please note that it is only through your support and patronage that we can continue to keep prices down.

When deciding how much to prepay, I suggest you look at the menu printed in the *Saints Alive or found on-line at www.smlcs.org* each month and estimate how many days your child will buy full lunch, then add for extra pizza slices, etc. Students in grades K-3 usually don't spend more than \$4.00 per day - one entrée, two sides and a drink. Some 4th and 5th graders average a little more, and middle school students often purchase \$5.00 or more. Also consider days they may purchase only drinks or snacks. You should be able to come up with a reasonable estimate for your child. When the month ends and you get your statement you will be able to compare your estimate to the actual purchases. If your child spent too much, request an itemized printout of purchases, then discuss it with your child. You may decide to increase your prepay amount for the next month or instruct your child to cut out certain items. ***(You can request we not issue your child credit; if they run out of money they will not be able to get lunch. You can designate items they may not purchase, and you can also set a daily dollar limit that the child is not to exceed.)*** If you wish, you may prepay for several months at a time. **Even if you plan for your student to bring his/her lunch everyday, we are asking everyone to prepay at least \$50.00. All families must have a valid credit card form on file in the school office in order for their children to purchase any food items from the cafeteria.**

Statements will be sent home to everyone at least once a month. **When you have finished your classroom visit on Orientation Day, August 17, please go to the Cafeteria, drop off your credit card form, and make a deposit on your child's account. The account will be ready for the start of school.**

Dear Parents and Students of PK3 and PK 4:

If you wish to order lunches for a PreK3 or PreK4 student, **you must pre-order each month.** Lunches are \$3.00 (including drink); if you want to order only a drink, it is .75. The children do not eat lunch in the cafeteria - their lunches are made up in the kitchen and taken to the students. If your student has ordered a lunch and is absent, let the cafeteria know before 10:00 a.m. that morning in order to get credit for that lunch.

To All:

Parents are welcome to come and have lunch with their child any day. Parents of kindergarten students are especially invited to come for lunch one day during the first week. **Parent Volunteers are also appreciated. If you can help please call and let us know.**

We are looking forward to serving you. If your child has a special need, please let us know so we can see that that need is met. If you have any questions please feel free to call (939-1218, ext. 298). If it is during the Food Service times please leave a voice message and we will get back to you as soon as possible.

Mike Rhinehart,

Assistant Principal

Sue Briggs,

Food Service Director
