

RWANDA MISSION TRIP

From *Suzanne Scribner and Alexandra Faubel*

KAGALI CHRISTIAN SCHOOL

JULY 9-21ST, 2009

Sponsored by: **BUILDERS WITHOUT BORDERS & RIVERSIDE CHURCH**

Builders Without Borders, Inc. is a 501(c)3 nonprofit organization started by Dan Dodrill; their mission is to provide structure and support to missionaries in the third world.

They have partnered with **Riverside Church** to send a team to **Kigali Christian School** (<http://kigalichristianschool.org/Welcome.html>) in July to construct an addition to the school they originally built that opened in January 2006.

We will also be conducting a 5 day Vacation Bible School for over 300 kids!

WE NEED YOUR SUPPORT

As most of you know, Rwanda is still reeling from the scars of the '94 genocide that killed more than one million people in roughly 100 days. Supporting the children of that country through education, discipleship and leadership training is just one way we can help to stop the cycle of hatred that perpetrated such a horrific holocaust.

HOW CAN YOU HELP

The cost of these trips is significant (\$2500/person) with the airfare and building supplies we must provide. We also understand this is a challenging time for many of us right now in this current economy-please know that any size tax deductible donation would be greatly appreciated.

If you are interested in supporting our trip please make your check out to **Builders Without Borders, Inc.** and include the donation form on page two of this letter. Make sure to include your full name and address so we may send you your receipt for tax purposes. Please note *only* "Rwanda Missions" under the memo section of your check.

Please mail the checks directly to us for tracking:

If you have any questions or would like to know more about sponsoring the tuition for one of these kids, please email Suzanne at Suzanne@phcr.biz or call 239-823-1213. For \$40/month you can provide a Christian education, all school materials & a hot lunch which is the only meal many of them receive each day!

Please feel free to forward this on to any friends, family or colleagues that might also want to help support our efforts.

Our Sincere Thanks-Suzanne and Alex ☺
